**Kinderdance® Recognized as One of the Top 5
Affordable Franchises for Women by Essence Magazine**

Melbourne, FL – May 4, 2009 - Kinderdance® International Inc. has just recently been recognized by **Essence Magazine** as one of the **Top 5 Affordable Franchises for Women**. Amongst rigorous competition, Kinderdance® received this distinguished honor and appeared in the **May 2009 issue of Essence Magazine**. The selection of Kinderdance® was based on a variety of measurements and criteria, including factors that include success in recruiting and supporting minority franchisees, historical performance, brand identification and franchisee satisfaction, among others.

"A home based franchise is a smart choice for many women business owners, since the training, marketing and in many cases the name-recognition are all built in", said Richard Maltese, Vice President Franchise Development. "Many home-based franchises like Kinderdance® are service-based, drawing on the strengths many women naturally possess"
